3. Overdraft Fee Forgiven Program – Consumer checking accounts (excluding Safe Debit accounts) assessed an Overdraft Paid Fee may qualify for a fee waiver. The Overdraft Fee Forgiven period starts the first business day your Available Balance becomes negative and you were charged an Overdraft Paid Fee(s). U.S. Bank will review your account at the end of the Overdraft Fee Forgiven period (11 p.m. ET) and if your Available Balance (excluding the Overdraft Paid Fees and including immediate and same day deposits), is at least \$0 we will waive Overdraft Paid Fee(s) charged. Deposits that generally will qualify for Overdraft Fee Forgiven include: ACH and electronic deposits, cash deposits, wire transfers, ATM deposits at U.S. Bank ATM, check deposits in branch and internal transfers from another U.S. Bank account. Deposits that generally will not qualify for Overdraft Fee Forgiven include: Mobile check deposit, extended hold placed on a deposit and deposits into new accounts opened less than 30 days where funds are generally made available the fifth business day after the day of your deposit. Refer to the Determining the Availability of a Deposit – All Accounts section of *Your Deposit Account Agreement* for full funds availability details.

4. The interest rate bump is variable and determined at the bank's discretion and can change at any time including after the account is opened. The interest rate bump is applicable for U.S. Bank Smartly® Savings when at least one account owner maintains an eligible open deposit product, not in the process of closing or an eligible credit card not past due or over the limit. (U.S. Bank Smartly® Checking, Safe Debit account or a U.S. Bank Smartly™ Visa Signature® Card). Bank Smartly Savings accounts without an eligible product will earn the standard variable interest rate. The Combined Qualifying Balance is calculated separately for each account owner monthly. For Bank Smartly Savings accounts with multiple owners, the owner with the highest combined qualifying balance will be used to determine the Smartly Interest Rate Bump tier. The Combined Qualifying Balance is determined as follows:

First, at the end of each month an average Combined Qualifying Balance is calculated. The balance is based on a 90-day average balance for all qualifying accounts and is calculated by adding together the end of day ledger combined balances for every day in the last 90 days and dividing the total by

- 90 calendar days, or
- the number of days since opening an initial qualified account

Next, the Smartly Interest Rate Bump tier that is applied to your Bank Smartly Savings account is determined by one of two potential calculations:

- For the initial evaluation after opening your first qualifying account and at the beginning of every calendar month thereafter, we will apply the Smartly Interest Rate Bump tier based upon the average Combined Qualifying Balance (as described above)
- In addition, we will review the Combined Qualifying Balances on a daily basis to determine whether you qualify for a higher Smartly Interest Rate Bump tier based upon the day's Combined Qualifying Balances.

If your daily Combined Qualifying Balances qualifies you for a tier upgrade, you will be moved to the higher tier (within 5 business days). You will remain in that tier until you qualify for a higher tier based on your daily Combined Qualifying Balances, or the calculated monthly Combined Qualifying Balance qualifies you for a higher or lower tier. The Smartly Interest Rate Bump tier will be applied to your Bank Smartly Savings account within the first 5 business days of each month or upon reaching a higher tier, which means that the tier that will be applied to your account may vary during a statement period. If the Bank Smartly Savings account is closed, the interest rate bump will cease immediately and accrued interest will not be paid. If the required eligible product (Bank Smartly Checking, Safe Debit account or a U.S. Bank Smartly™ Visa Signature® Card) is closed but the Bank Smartly Savings account remains open, the interest rate bump will remain valid until the end of the calendar month. Speak to a banker for current deposit rates, disclosures on rates, compounding and crediting, and other balance information. Current variable interest rate bump amount information can be found at usbank.com, by calling 24-Hour Banking at 800-USBANKS (872-2657) or by visiting your local branch. We accept relay calls.

U.S. Bank Smart Rewards® (U.S. Bank Smartly® Checking only, Safe Debit is not eligible)

U.S. Bank Smart Rewards offers unique benefits based on your relationship with U.S. Bank and its affiliates, driven by the amount of qualifying balances. Benefits may include waivers of common fees as well as discounts on other U.S. Bank products.

Qualifying Consumer Balances

Combined Qualifying Balances (CQB) include consumer and trust accounts where the account is open and you are an account owner.

- Checking accounts
- Money Market savings accounts
- Savings accounts
- CDs and/or IRAs
- Personal Trust accounts⁴
- U.S. Bancorp Investments⁵ accounts
- U.S. Bancorp Advisors⁶ brokerage accounts

Note: Balances in business accounts, commercial accounts and the Trustee only (IFI)¹, Grantor only (GRT)² or Trustee & Grantor – Irrevocable Trust (TRG)³ client relationships do not qualify.

How it works

- A U.S. Bank Smartly® Checking account automatically comes with the Smart Rewards program.
 - If you qualify for any of the following customer groups you will earn additional benefits: Military (requires self-disclosure), Senior, Youth, Young Adult, Alliance, Wealth Management, Workplace-Financial Wellness Program and Global Transition Solutions.⁷ If you are a part of a customer group, see the Customer Group Benefits section for a list of automatically applied benefits. If you qualify for more than one customer group, you will receive benefits from all the applicable customer groups. If there is an overlap in the benefit category, the highest value benefits will be automatically applied.
- If all qualifying Bank Smartly Checking accounts are closed or you are no longer an account owner, you will not be eligible for Smart Rewards.

Earn More Benefits - Smart Rewards Tier Reviews

- Tier reviews occur to appropriately assign your account into a tier based on your relationship with U.S. Bank, driven by Combined Qualifying Balances (CQB).

Earn More Benefits – Smart Rewards Tier Reviews (Continued)

- Your initial review will be based on your Combined Qualifying Balance (CQB) the business day after your Bank Smartly Checking account is opened.
- Your CQB is calculated monthly and is determined as follows:

First, at the end of each month an average CQB is calculated. The CQB is based on a 90-day average balance for all qualifying accounts. The CQB is calculated by adding together the end of day ledger combined balances for every day in the last 90 days and dividing the total by

- The number of days since opening an initial qualified account, or
- 90 calendar days

Next, the Smart Rewards tier is determined by one of two potential calculations:

- For the initial evaluation after opening your first qualifying account and at the beginning of every calendar month thereafter, we will apply the Smart Rewards tier based upon the average CQB (as described)
- In addition, we will review the CQB daily to determine whether you qualify for a higher Smart Rewards tier based upon the day's CQB

If your daily CQB qualifies you for a tier upgrade, you will be moved to the higher tier (within 5 business days). You will remain in that tier until you qualify for a higher tier based on your daily CQB, or the calculated monthly CQB qualifies you for a higher or lower tier. The Smart Rewards tier will be applied within the first 5 business days of each month or upon reaching a higher tier, which means that the tier that will be applied to your account may vary during a statement period. Tier downgrades will only occur at the end of every month. If the Bank Smartly Checking account is closed, the Smart Rewards benefits will cease.

- Reviews associated with the customer groups are ongoing (daily) and upgraded benefits will generally occur within five business days. For loss of a customer group, we will give at least 60 days notice before the change occurs.
- U.S. Bank will notify you monthly if your Smart Rewards tier is changing (upgrade or downgrade).

*Qualifying Consumer Balances

Combined Qualifying Balances (CQB) include consumer and trust accounts where the account is open and you are an account owner. For jointly owned Bank Smartly Savings accounts, each owner's qualifying balances will be reviewed. The owner with the higher balance range will determine the interest rate bump on the joint account. The interest rate bump and balance range information will be visible to all owners on the account.

- Checking accounts
- Money Market savings accounts
- Savings accounts
- CDs and/or IRAs
- Personal Trust accounts⁶
- U.S. Bancorp Investments⁷ accounts
- U.S. Bancorp Advisors⁸ brokerage accounts

Note: Balances in business accounts, commercial accounts and the Trustee only (IFI)³, Grantor only (GRT)⁴ or Trustee & Grantor – Irrevocable Trust (TRG)⁵ client relationships do not qualify.

For U.S. Bank: U.S. Bank is not responsible for and does not guarantee the products, services, or performance of U.S. Bancorp Investments and U.S. Bancorp Advisors.

- The interest rate bump is variable and determined at the bank's discretion and can change at any time including after the account is opened. The interest rate bump is applicable for U.S. Bank Smartly® Savings when at least one account owner maintains an eligible open deposit product, not in the process of closing or an eligible credit card not past due or over the limit. (U.S. Bank Smartly® Checking, Safe Debit account or a U.S. Bank Smartly™ Visa Signature® Card). Bank Smartly Savings accounts without an eligible product will earn the standard variable interest rate. The Combined Qualifying Balance is calculated separately for each account owner monthly. For Bank Smartly Savings accounts with multiple owners, the owner with the highest combined qualifying balance will be used to determine the Smartly Interest Rate Bump tier. The Combined Qualifying Balance is determined as follows:
First, at the end of each month an average Combined Qualifying Balance is calculated. The balance is based on a 90-day average balance for all qualifying accounts and is calculated by adding together the end of day ledger combined balances for every day in the last 90 days and dividing the total by
– 90 calendar days, or
– the number of days since opening an initial qualified account
Next, the Smartly Interest Rate Bump tier that is applied to your Bank Smartly Savings account is determined by one of two potential calculations:
– For the initial evaluation after opening your first qualifying account and at the beginning of every calendar month thereafter, we will apply the Smartly Interest Rate Bump tier based upon the average Combined Qualifying Balance (as described above)
– In addition, we will review the Combined Qualifying Balances on a daily basis to determine whether you qualify for a higher Smartly Interest Rate Bump tier based upon the day's Combined Qualifying Balances.
If your daily Combined Qualifying Balances qualifies you for a tier upgrade, you will be moved to the higher tier (within 5 business days). You will remain in that tier until you qualify for a higher tier based on your daily Combined Qualifying Balances, or the calculated monthly Combined Qualifying Balance qualifies you for a higher or lower tier. The Smartly Interest Rate Bump tier will be applied to your Bank Smartly Savings account within the first 5 business days of each month or upon reaching a higher tier, which means that the tier that will be applied to your account may vary during a statement period. If the Bank Smartly Savings account is closed, the interest rate bump will cease immediately and accrued interest will not be paid. If the required eligible product (Bank Smartly Checking, Safe Debit account or a U.S. Bank Smartly™ Visa Signature® Card) is closed but the Bank Smartly Savings account remains open, the interest rate bump will remain valid until the end of the calendar month. Speak to a banker for current deposit rates, disclosures on rates, compounding and crediting, and other balance information. Current variable interest rate bump amount information can be found at usbank.com, by calling 24-Hour Banking at 800-USBANKS (872-2657) or by visiting your local branch. We accept relay calls.
- To earn rewards at the increased rate, the U.S. Bank Smartly™ Visa Signature® Card must be open, in good standing (not past due or over the limit) on the closing date of the billing cycle and you are an account owner. If the U.S. Bank Smartly™ Visa Signature® Card is closed at any time, you will no longer be eligible for the increased earning rate.
- Trustee (IFI) – The person(s) or entity are serving in the capacity of trustee(s) but are not grantor(s). The trustee typically manages the assets of the trust account and distributes property according to the terms of the trust document.
- Grantor (GRT) – The individual(s) who created the trust. Grantors may also be referred to as the settlor or trustor. Grantors may also serve as the trustee(s) of the trust.
